By The Numbers

- Join a vibrant team of more than 1,500 dedicated faculty and staff.
- Engage in extensive learning with over 400,000 outpatient visits each year.
- Be part of a thriving community with over 115 multi-disciplinary trainees each year.
- Contribute to groundbreaking work supported by \$25m in research grants and contracts.

Our mission is simple...

To develop world-class psychiatrists who are compassionate experts in their field ready to meet the diverse needs of our community. Our graduates will be prepared for a broad range of clinical opportunities, also education, and for those interested, research. Our ACGME-accredited program offers in-depth training in

- Psychodynamic psychotherapy and ethnic psychologies
- Biological psychiatry
- Social determinants of health
- Educational techniques for teaching

Your Experience.

Experience a diversity of patient care across numerous clinical settings, and gain comprehensive knowledge through our didactics, including about psychotherapy. After residency, explore ACGME-accredited Fellowships in various sub-specialties, including:

- Addiction Psychiatry
- Child & Adolescent Psychiatry
- Consultation-Liaison Psychiatry
- Forensic Psychiatry
- Geriatric Psychiatry
- About half of our residents pursue fellowships

What You Will Learn.
